

CHILDREN'S DISCOVERY ACADEMY 2019-2020

Children's Discovery Academy is a quality preschool and pre-kindergarten learning academy focused on the whole child. Through emergent curriculum and continual discovery, children will learn to love the art of exploration. Classes are offered daily and are taught by educated and enthusiastic teachers. A variety of teaching methods are implemented into the learning environment including, Vygotsky's Scaffolding, Montessori, and Gardner's Multiple Intelligences to create a classroom environment suitable to meet each child's individual needs. Classes run Monday-Friday for morning sessions and Monday-Thursday for afternoon sessions. These classes run September 2019- June 2020.
