Super Hero Camp

June 24-27th, 2019

Explore your inner superhero! Children will play and enjoy creating their own custom hero during the week while tumbling and other large motor fun!

Mad Scientist STEM Camp

July 8-11th, 2019

Explore your inner scientist! We will do fun experiments each day and learn all about the scientific process.

Pacific NW Animal STEM Camp

July 15-18th, 2019

Campers will learn all about animals of the Pacific Northwest! This fun camp will highlight specific animals and how to find their tracks!

Experience Art Camp

July 22-25th, 2019

Campers will explore different artists each day, learning about their lives, the type of art and fun art techniques. The week ends with an art show of the children's work!

Pirates and Princesses STEM Camp

July 29-Aug 1, 2019

Come on out you swashbuckling pirates and princesses for a week of adventure and fun! We will go on a quest to find some treasure and explore fairy tales all week.

Music and Movement Camp

August 5-8th, 2019

Campers will explore the art of dance and movement! They will learn about famous dancers and tumble!

Construction and Building Camp

August 12-15th, 2019

Campers will be creating and building all week! We will work on a cumulative project that will include the use of a hammer, nails, wood, sandpaper, paint and more!

Water Fun STEM Camp

August 19-22nd, 2019

We will be doing experiments, learning about and playing in water! Plus, have fun getting wet!

FOUNDATIONS Kindergarten Prep Camp

Session 1: August 26-30th, 2019 8:15-12:15 pm

Session 2: August 26th-30th, 2019 11:45am-3:45 pm

This is a 5-day Kindergarten Boot Camp for only children entering Kindergarten the fall of 2019! Areas of focus include handwriting, name spelling, letter review, number review, appropriate manners at school and how to eat lunch at school!
